

Incorporating Bench Cards into North Carolina Bail Policies

Looking to incorporate a bench card into your local pretrial policy? The Lab has created a model local bail policy for North Carolina that covers a variety of issues, including responding to non-appearances. Click [here](#) to download the model policy, and find the section on non-appearances.

For an example of how one jurisdiction integrated its bench card into local policy, see page 35 of the Orange County, North Carolina Local Bail Policy [here](#).
