

Virtual Court: North Carolina Examples

Courtroom Audio Visual Project (CRAVE)

In 2022, the North Carolina Administrative Office of the Courts announced it would provide all of the state's 100 counties with equipment to conduct virtual hearings. Every county will receive cameras, microphones, and monitors to outfit two courtrooms for virtual proceedings. The program also will help improve internet connectivity and install kiosks in every courthouse to allow self-represented people to appear outside of a courtroom. Read more [here](#).

Virtual Court in Mecklenburg County, NC

Mecklenburg County, home to the Charlotte metro area, is the second largest county in North Carolina. The county regularly uses remote hearings in civil, criminal, and juvenile proceedings. Some courtrooms are designated for virtual appearances. The county website has detailed information about scheduling and conducting matters virtually. Read more [here](#).
